## CHRISTMAS PRODUCE 2016

**Dear Customer,**

As you know the family have been supplying Christmas produce for over 50 years and we thank you for your continued support of our seasonal fayre. This year we are pleased to be able to supply both the usual WHITE Turkeys and also the BRONZE birds. All the birds have been carefully reared to full maturity, hung in the traditional way for a better flavour and then prepared ready for the oven to your requirements.

We will have our usual Traditional cooked Hams, or we can supply a Gammon Bacon joint to cook yourself, we are happy to advise.

We still have our full range of produce but slightly less volume as work load has had to be reduced getting older! Early ordering is advisable if possible please.

We have our own Apple Fed Boneless PORK Joints at a fixed price or cut to your requirements.

Please feel free to telephone if you have any queries prior to ordering or any special requirements we are more than happy to help and to make your Christmas day meal extra special, just give us a call.

Ordering is easy just complete the form overleaf and post, email or visit our website details above. Payment is on collection and we still are able to take cheques or cash but sorry we do not have a card machine.

If you can give us a weight range when ordering whole birds this would be helpful to us.
